William Orthwein is here to speak about his Mass Gathering Application:

“I am in the process of applying for a Special Use Permit Bloomfield Farm Recreational Field Project with the Planning Board that would allow recreational use and event on the current polo field space on my property. This concept was presented to the Planning Board July 9th, discussed again on July 30th, and has been favorably received. Some additional information is being provided to the Planning Board for the August 13th meeting with hopes of a public hearing on August 27th. Seeking a SUP was initiated as The Saratoga NFL Flag Football club contacted me with an interest in conducting some Saturday flag tournaments for local boys and girls on the current polo field. The events would be completed in time for their first tournament, but I would like to have a Mass Gathering Permit in place in case the SUP process is not completed by the Flag Football start date.”

Deputy Supervisor opened the Floor for Public Comments on any subject. Those that chose to speak were:

Emliy & Cory Westall regarding the safety on Daniels Road. They see many accidents and are hoping that something can be done about the speed before someone winds up getting killed.

Kyle Carleton also spoke about the safety and the many accidents on Daniels Road.

Deputy Supervisor Capasso said that he will talk to Highway Superintendent Justin Burwell and see if he can move the 2 speed limit signs down around those curves. This is not going to deter people from speeding. Legal Counsel Schachner spoke and said the Town of Greenfield doesn't have the authority to change speed limits or put up signs it must go through the proper protocol which is to the County DOT then the County sends it to the State. The State has the ultimate say and it can take up to 5 years to hear anything. Also, once you apply you can't reapply for that same road another 5 years.

On a motion by Stacey, C and seconded by Gyarmathy, C the meeting was adjourned at 7:52 PM.

Motion Carried

Respectfully Submitted,

Karen Downen, Town Clerk
