

June 30th, 2016 Meeting

A special meeting of the Town Board was called to order at 10:02 AM Thursday June 30th 2016 with the following members present: Daniel Pemrick, Supervisor; Daniel Cochran, MaryAnn Johnson, Rick Capasso, Councilmen. Absent: Walter E. Chandler, Councilman. Also present was Code Enforcement Officer Gerald McKenna. The purpose of the meeting was to consider a moratorium on ground mounted Solar Facilities in the Town of Greenfield. Supervisor Pemrick presents a draft of Local Law 1-2016, establishing a Moratorium on Solar Facilities in the Town of Greenfield. He asks the members to look at item #3 under Solar Facility. He suggests adding one (1) or more ground mounted Solar Panels, which this moratorium will cover. He brings the Board's attention to item # 4, the Moratorium, and asks the Board if September 30th, 2016 is good as a termination date for the moratorium. Johnson, C., states yes, because it can be extended. All members present agree. Supervisor Pemrick reads from the Local Law draft that the provisions of the local law be applicable to any establishment, review or approval of any solar facility, including any for which applications are currently pending, unless all necessary approvals have been obtained and actual physical project construction has been substantially commenced as of July 1st, 2016. The Board agrees on the wording of # 4.
