**Greenfield Seniors we need your help!**

**As you know we are all volunteers from our officers to our committees and our members who contribute to our delicious refreshments and great offerings at our annual picnic.**

In September, our board members meet to form a nominating committee and you will be contacted in October to see if you would like to run for office or board member. Elections are in November.

Committee members however are not elected but are appointed by the President. We are looking to fill the following committees:

Program Secretary - responsible for getting speakers for meetings has a \$200 yearly budget if needed.

Trip Leader - sets up Monthly Trips works with Treasurer and President. If you meet certain goals, you get a free trip from the vendor.

Publicity person - responsible for placing free ads in local newspaper, tv, etc.

If you are interested in the above committees, please see Philip Steves.

With most of us leading super busy lives, the idea of volunteering - giving your time and energy to a cause without financial reward - may seem an impossible task. I mean, how can we fit anything else into our already jam-packed schedules? However, volunteering is important for many reasons and doesn't have to take up too much time. And, in fact, the benefits of volunteering are vast for the volunteer - not just the community, individual or organization receiving their assistance.

Did you realize just how important volunteering could be for the person doing it? In fact, volunteering is beneficial to the doer for a whole host of reasons, including stress reduction, combating depression and providing a sense of purpose. if you're feeling lonely, isolated, or simply want to widen your social circle, volunteering in your local community is an important - and often fun - way to meet new people. In fact, one of the best ways to make new friends and strengthen existing relationships

is to commit to a shared activity together, and volunteering lets you do just that.
